PERSONAL PROFILE

My name is Vaibhav Mahadev Palhade, and I am currently pursuing a Bachelor's degree in Computer Engineering from G H Raisonni University, Amravati. I am in my final semester and am expected to graduate in May 2023. Prior to my current program, I completed my Polytechnic Diploma in Mechanical Engineering with First Class from Government Polytechnic, Washim. After that, I decided to switch my branch to Computer Science Engineering (CSE) to pursue my interest in this field.

I am currently undertaking an AWS DevOps course at Gana Tech Hyderabad to enhance my skills and knowledge in this area. I am passionate about keeping up with the latest trends and advancements in the field of technology and am committed to utilizing my education and training to contribute to the growth and success of an organization.
